CHAPTER-I

1. INTRODUCTION

1.1 Background

Agriculture is the backbone of the Nepalese economy which alone contributes about 38 percent of the Gross Domestic Product (GDP), and plays the lead role in the economic development of the country. In Nepal, agriculture is the main source of employment and livelihood where 65.6 percent of the people are still engaged in agriculture. However, due to the lack of modernization and commercialization in agriculture, farmers could not benefited as per their expectation.

The Government of Nepal (GON) and the Asian Development Bank (ADB/M) agreed to launch Commercial Agriculture Development Project (CADP) on 23 February, 2006. The project is designed to efficiently deliver development to poor and socially excluded people, through equitable and sustainable commercialization of agriculture. The project will directly generate employment opportunities to poor and marginal farmers and landless people by promoting high value crops (HVC) and their marketing, transporting from the point of production to storage and processing centers. CADP will also assist small scale community based market infrastructure development.

This project is implemented in 11 districts of Eastern Development Region (EDR) including 5 hill districts (Dhankuta, Ilam, Panchthar, Terahthum, and Udayapur), 5 Terai districts (Jhapa, Morang, Sunsari, Siraha, and Saptari) and one mountain district (Taplejung). The project beneficiaries will be the farmers (including subsistence, semi-commercial, commercial and women farmers) growing or interested in growing HVC such vegetables, fruits, and spices; and entrepreneurs located in the identified high potential areas of EDR.

Major outputs of the Commercial Agriculture Project will be increased public private investment, inclusion of poor and semi-commercial stakeholders in commercial agriculture, improved market information system and enhanced capacity of project partners in supporting farmers. The project will also cover disadvantaged and vulnerable people in EDR who have been excluded from the development process. The landless will be empowered through training to become employed in market-chain activities.

Mostly, farmers and traders lack of knowledge and skills about production and marketing technology of high value crops (HVC), transportation and marketing infrastructures. Despite of these constraints, EDR has extreme variation in the soil conditions, elevation, and temperature in the project districts, which provide greater scope for the production and marketing of wide range of agricultural commodities including fruits, vegetables and cereals.

The Commercial Agriculture Development Project is market oriented and demand driven. The project aims to accelerate the process of agriculture commercialization in EDR and help to increase employment opportunities in rural areas, value addition of agriculture products and rural income.

Objectives of the District Orientation Program:

- To illustrate the overview of the project among stakeholders.
- To introduce line-agencies and stakeholders about project's rationale, objectives, expected output, opportunities, and constraints .
- To create awareness about roles and responsibilities of partners (CADP, CAA and JFPR) and other stakeholders.

Date and Venue:

Program was conducted on October 31, 2007 in the meeting hall of the District Development Committee, Inaruwa, Sunsari.

Procedure:

- Arrival of Participants and Registration.
- Chairing of program : Mr.Guru Subedi, LDO, Sunsari.
- Cheif guest chaired: Mr. Jagannath Mahaseth, RD, RAD, Biratnagar.
- Welcome to the participants: Mr. Yogendra Kumar Karki, PM, CADP.
- Papers presented by:
 - Ø Mr. Yogendra Kumar Karki. Project Manager, CADP, Biratnagar.
 - Ø Mr. Jagannath Mahaseth, RD, Regional Agriculture Directorate, Biratnagar.
 - Ø Mr. Ram Kumar Sharma, General Manager, CAA, Biratnagar.
 - Ø Mrs. Rita Koirala, Project Coordinator, JFPR, Biratnagar.
 - Ø Mr. Sarbajit Yadav, SADO, DADO, Sunsari.
 - Ø Mr. Kamlesh Tiwari, Technical Officer, CADP.
- **Few words :**
 - Ø Mr.Ramesh Pokhrel, Member, National Cooperatives Development Board.
 - Ø Mr. Dharma Niraula, Secretary, Nepal Communist Party (UML) Sunsari.
 - Ø Mr. Chiranjibi Adhikari, CDO, Sunsari.
- Vote of thanks and closing of the program : Mr. Guru Subedi, LDO, Sunsari.

CHAPTER – II

Summary of Presentation

Karki, Yogendra Kumar (Project Manager) CADP: At a Glance, October 31, 2007

Mr. Karki, in his presentation, focused on introduction, overall objective, project command districts, proposed financing plan, expected impacts and outcomes, project components, value chain model and project implementation arrangement system of CADP.

He also explained that the project is under ADB grant, implemented by Department of Agriculture (DOA) for six years period. (July, 2007 to December, 2012) .The overall goal of the project is sustainably increasing the level of commercialization of agriculture in EDR. The specific objective is to reduce poverty in rural communities in 11 project districts through equitable and commercialization of agriculture.

The project investment cost is estimated as US \$ 24 million, out of which, the contribution of ADB, Nepal Govt., CAA, DDC, and FC is 18, 0.8, 4, 0.4, 0.5 million US \$ respectively. The expected impacts and outcomes of this project will be improved efficiency of marketing and processing of HVCs (vegetables, fruits, tea, and spices).

For the implementation of the project, **Project Management Unit** is established in Biratnagar, which prepares project annual work plan and project progress report; recruits the consultants and rewards the procurement contracts; supervises the project activities and performance of the partner NGOs and service providers and carries out the M& E of the project activities.

The major components of the project are:

1. Agriculture investment and management.
2. Inclusive development of stakeholders.
3. Market information dissemination.
4. Project partners capacity enhancement.
5. Project implementation support.

The MOAC is the executive agency, the CAA is the implementing agency for component -1 (commercial agriculture investment & management), and the DOA is implementing agency for the components 2, 3, 4, and 5.

Mr. Karki emphasized that, for efficient implementation of the program, each line–agency and other stakeholders should work as partners with beneficiaries (Farmers, Traders, and Processors). He concluded that "**The success of the project will depend upon level of the co-ordination among stakeholders, for which; regular interaction to understand each other roles, and responsibilities is must .**"

Sharma, Ram Kumar, (General Manager, CAA); Commercial Agriculture Alliance: A Brief Introduction, October 31, 2007.

Mr. Sharma, in his presentation stated about, the introduction of Commercial Agriculture Alliance (CAA), its objectives, command areas, membership, Board of Directors; management of CAF, main tasks, procedure to be followed for submitting the application and approval of grant and roles and responsibilities of stakeholders and future course of actions of CAA.

CAA is not-for-Profit Company established in 29 September, 2006 for the implementation of **Agriculture Investment and Management** component-1 of CADP. The objectives of CAA are: Promoting commercial agriculture by developing an alliance between the commercial agricultural stakeholders; manage CAF; educate members about market linkage on production; transferring knowledge and skill about agricultural production technology and marketing to farmers and others stakeholders directly involved in the agriculture business; conducting awareness program and helping its members in protecting the intellectual property rights.

CAA will have a cost sharing Commercial Agriculture Fund (CAF) of US\$13.3 million. CAA will provide grant to its members for the development of community based infrastructures such as collection centers, suspension bridges, ropeways, farm to market road improvement, cold stores and so on. It will also provide fund for the non-infrastructure activities such as, production and market promotion of High Value Crops (HVCs) in the project area. The fund for community based infrastructures is mobilized through District Development Committee and for non-infrastructure activities through farmers groups, agricultural cooperatives, processors and traders of agricultural commodities. A maximum of \$ 80,000 will be provided for each community-based market infrastructure intervention and a maximum of \$ 20,000 for each non-infrastructure investment. The allocation of CAF to specific districts will vary according to need. Each general member can obtain a maximum of \$ 40,000 on cumulative basis, and each DDC a maximum of \$ 320,000 on cumulative basis.

Commercial Agriculture Alliance will implement its program in 11 districts of Eastern Development Region. CAA will have two types of members i.e. general and nominated. General members comprise farmer's groups, cooperatives, traders and processors whereas representatives from Ministry of Agriculture and Cooperatives, Ministry of Local Development, District Development Committee of 11 project districts, and Agro Enterprise Centre of Federation of Nepalese Chamber of Commerce and Industries(FNCCI) are the nominated members of CAA. CAA will establish its central office at Biratnagar and branch offices at district headquarter of 11 project districts. The stakeholders should play their roles in creating awareness at local level, selection of appropriate projects, recommendation of grant for feasible projects and regular monitoring and evaluation of the projects.

The CAA is established as a not for - profit company with definite objectives and well defined roles and responsibilities. Commercial Agriculture Fund that will have to manage by CAA, will be allocated for the commercialization of agriculture in the Eastern Development Region.

Koirala, Rita,(Project Coordinator DEPROSC Nepal): Role of DEPROSC, October 31, 2007

Mrs. Koirala, in her presentation, discussed about background information, proposed grant, program status, command area, expected outputs, project components, organizational structure for the project implementation, investment plan, role and staff structure, linkage among partners (CADP, CAA) of DEPROSC-Nepal/JFPR.

DEPROSC- Nepal, established in September 1997, affiliated with Social Welfare Council, currently working in 27 districts and there are 20 on going projects. Whereas, JFPR established in 20 July,2007, for 3 years as component of CADP, and command districts are Morang, Sunsari, Saptari,and Dhankuta.

JFPR will focus on four components:

- Social mobilization.
- Income generation.
- Capacity building.
- Project coordination.

The expected outputs of this project will be 600 new capable and well mobilized groups, 6000 people's capacity enhanced and linked with micro finance services and 3000 families come up from below poverty line.

Operational structure is established for the project implementation including MOAC as executing agency, ADB as donor agency and CADP/PMU and district coordination committee as monitoring and evaluating agency. The total program budget of the JFPR is US\$1,314,000 out of which CADP contributes US\$ 314000.

Roles of DEPROSC-Nepal and JFPR will be

- Selection, coordination and management of NGO consortium affairs.
- Clearly defined responsibilities of partner NGO.
- Implementation of overall capacity building program.
- Enter in to the legal contract with ADB and with other partners.
- Focus on participatory program planning approach.

JFPR always believes on coordination and participatory approach for program planning and implementation, which is the key theme of the JFPR.

Mr. Mahaseth, Jagannath,(Regional Director), Agriculture Development in EDR- At a Glance, October 31, 2007

Mr. Mahaseth, in his presentation highlighted the potential and constraints of commercialization in EDR and gave a overview about pocket areas, projects implementing in EDR, agricultural statistics, food balance sheet, agriculture program in EDR, potential crops according to geographical region, market infra-structures and National Mission for different crops in different districts.

Projects in EDR:

- Eastern Hill Development Project: Solukhumbu, Khotang, Bhojpur, Okhaldhunga.
- APPSP: Siraha, Udayapur, Okhaldhunga.
- Ultra Poor Project: Terahthum, Taplejung.

Market Infra-structures:

• Collection centers	-	37
• Wholesale markets	-	8
• Hat bazaar	-	577
• Cold stores	-	8
• Cellar stores	-	8
• Rustics stores	-	23

Potential Crops in EDR

- Cardamom
 - Off-season vegetables
 - Citrus
 - Areca nut and Black pepper
 - Banana
 - Tea
 - Ginger
 - Jute
- Taplejung, Panchthar, Ilam, Sankhuwasabha, Terahthum, and Bhojpur
 - Dhankuta, Ilam, Panchthar, Terahthum, Sunsari, and Morang.
 - Dhankuta, Ilam, and Panchthar
 - Jhapa
 - Sunsari, Morang, and Jhapa
 - Jhapa, Ilam, Panchthar, and Dhankuta
 - Dhankuta, Ilam, Terahthum and Panchthar Morang, Sunsari, and Jhapa.

National Mission program in EDR:

- Mission Fish
 - Mission Onion
 - Mission Citrus
- Siraha, Saptari, Sunsari, and Morang
 - Siraha, and Saptari
 - Dhankuta, Ilam, and Panchthar

Mr. Mahaseth expressed his views on project activities and co-ordination among different stakeholder in project district. Project is mainly concentrated in developing the small infrastructures such as collection centers, ropeways, suspension bridges, cold stores and improvement of farm to market link road. He added that the beauty of this project is to promote selected HVC in potential area of the project district. He added that due to availability of suitable climatic condition and socio-economic environment, EDR has greater scope for the commercialization of agriculture.

He ensured that he will be fully devoted to provide support in every step of project implementation. He also hoped that DADO of the project districts will provide required support during project implementation. RD suggested that the success of the project depends upon the co- ordination among different agencies involved in CADP.

Mr. Sarbajit Yadav, SADO, DADO, Sunsari : Exsiting Situation, Problems and Prospect of Commercial Agriculture in Sunsari District, October 31, 2007

.Mr. Yadav, in his presentation mainly focused on brief introduction district, present infrastructure development and present status and potentiality of high value crops in Sunsari district.

Brief introduction of district:

Total area of the district	-	127,077 hectares
Ø Total cultivable area of the district	-	81,440 hectares (64.48 Percent)
Ø Area under cultivation	-	74,541 hectares (58.65 Percent)
Total irrigated area	-	58,500 hectares (46.0 Percent)
Ø Year round	-	41,800 hectares
Ø Seasonal	-	16,700 hectares
Infrastructure		
Ø Black topped road	-	108 Kiometers
Ø Gravel road	-	60 Kilometers
Ø Wholesale market	-	Kaptangunj, Lakahi, Inarawa, Dharan

Present Status of High Value Crops

Crops	Area in hectare	Production in Metric Tonn
Potato	3,650	51,100
Vegetables	5,500	66,000
Fruits	1,250	18,750
Ginger and Spices	225	3,800
Jute	2,100	3,360

Potential High Value Crops :

- Ø Fresh and off- season vegetables
- Ø TPS potato
- Ø Kinno orange
- Ø Mushroom
- Ø Banana
- Ø Bee keeping

Mr. Kamlesh Tiwari,(Technical Officer), Commercial Agriculture Development Project : Project Selection Process and Monitoring & Evaluation Arrangement in CADP, October 31, 2007.

Mr. Tiwari, in his presentation, focused on project selection criteria, cost sharing for infrastructure and non- infrastructure investment , implementation, monitoring & evaluation and project review arrangement of CADP.

Selection criteria:

- Ø Add value to agricultural products,
- Ø Benefit other agricultural stakeholders and community as a whole,
- Ø Improve market chain efficiency,
- Ø Incorporate public good content and
- Ø Have strong demonstration effects on the rest of community.
- Ø Proposal must be demand driven and identified by stakeholders themselves.

Cost Sharing

Stakeholders	Non- infrastructure investment	Infra-structure investment
CAA	50 %	75 %
Beneficiaries	50 %	10 %
DDC	-	15 %

Project Performance M&E

Monitoring & Evaluation will be done to determine:

- Ø Efficiency
- Ø Delivery of inputs against specified implementation targets and time frame.
- Ø Effectiveness
- Ø Outputs, outcomes and short term impacts.
- Ø Both efficiency and effectiveness measured against baseline and product chain data

Feed back on project activities will be taken from

- Ø Farmer groups;
- Ø Marketing groups, associations and cooperatives;
- Ø Partnering NGOs and training service providers;
- Ø CAA and its branch offices;
- Ø Project studies and reports;
- Ø Project-supported market information system; and
- Ø Any other relevant sources such as the federation of Nepal Chambers of Commerce and Industry.

Project Review

- Ø ADB and the Government at least twice a year; this includes performance of the PMU, CAA, partner NGOs and service providers.
- Ø ADB and Government will also undertake a comprehensive mid- term review of the project at the beginning of the fourth year.
- Ø Technical, budgetary and design modification could be considered based on the results of review.

Few Word of Remarks

Mr. Ramesh Pokhrel, Member, NCDB

- Ø Mr. Pokhrel, welcomed to CADP in the district
- Ø He expressed his happiness that CADP will cover each stakeholder from marginal / disadvantage group to processors, traders, businessman and cooperatives.
- Ø As member of National Cooperatives Development Board, he committed that co-operatives will provide necessary help for successful implementation of the project in EDR.
- Ø He also requested to CAA to reduce membership fees and provide provision for institutional development to co-operatives.

Mr. Dharma Niraula, Secretary, Nepal Communist Party, (UML)

- Ø He wished for the grand success of CADP in its goal and objective.
- Ø He expressed his happiness that EDR is the region to get such golden opportunity.
- Ø He suggested that project should focus on sustainable development in agriculture, specially to marginal farmers.
- Ø He pointed out some of previous projects implemented in the past and CADP will be careful and take lesson from that projects.

Mr. Chiranjibi Adhikari, For CDO, DAO, Sunsari.

- Ø He told that for success of project, each stakeholders should participate in every walks of project.
- Ø Commercialization in agriculture is the pre-condition for poverty reduction of the people.
- Ø He also suggested that, fund should be utilized according to set objectives.
- Ø As administrator, he committed that DAO will co-operate in every step of the project.

Mr. Guru Subedi, LDO, DDC, Sunsari.

- Firstly, he expressed vote of thanks to CADP, for providing the opportunity to be a chairman, he has also given the thanks to all participants for successful operation of workshop in his chairmanship.
- Ø He became happy that CADP included the Sunsari district as its command area.
 - Ø He suggested that CADP should explore the potentiality of each district and focus on commercialization of high value crops.
 - Ø He committed the DDC will be ready to cooperate with CADP throughout project period.
 - Ø At last, he wished the bright future for CADP.

Appendix-1 : Program schedule.

Commercial Agriculture Development Project District Orientation program, Sunsari

Date : 2 November, 2007

Time : 10:30- 2:30

Venue Meeting Hall, District Development Committee, Sunsari.

Time	Activities	Remarks
10.30-11.00	Arrival of Participants and Registration	
11.00-11.15	Chairing of the Program : Mr. Guru Subedi, LDO, Sunsari. Chairing of Chief Guest : Mr. Jagannath Mahaseth, RD, RAD, Biratnagar	
11:15-11:35	Welcome to the Participants and Brief Introduction of CADP: Mr. Y.K. Karki, Project Manager, CADP.	
11:35-11:50	Brief Introduction of Commercial Agriculture Alliance Mr. Ram Kumar Sharma, General Manager, CAA	
11:50-12:05	Brief introduction of JFPR : Mrs. Rita Koirala, Project Co-ordinator, JFPR	
12:05-12:20	Agriculture Development in EDR- At a Glance: Mr. Jagannath Mahaseth, RD, RAD, Biratnagar	
12:20-12:35	Present Situation of Commercial Agriculture and its Potentiality in the District. Sarbjit Yadav, SADO, DADO, Sunsari	
12:35-12:50	Planning Process, Role of Stakeholders and M & E Arrangement of CADP Kamlesh Tiwari, Technical Officer, CADP.	
12:50-1:00	Session closing: Mr. Guru Subedi, LDO, Sunsari.	
1:00-1:30	Discussion	
	Few Words	
1:30-2:20	<ul style="list-style-type: none"> • Mr. Ramesh Pokhrel, Member, National Cooperatives Development Board. • Mr. Dharma Niraula, Secretary, Nepal Communist Party (UML) Sunsari. • Mr. Chiranjibi Adhikari, CDO, Sunsari. 	
2:20-2:30	<ul style="list-style-type: none"> • Vote of thanks and closing of the program : Mr. Guru Subedi, LDO, Sunsari. 	

Appendix-2: Name List of Participants

SN	Name	Designation	Office/Address
1	Mr. Jagannath Mahaseth	RD	RAD
2	Mr. Guru Subedi	LDO	LDO, Susari
3	Mr. Yogendra Kumar Karki	PM	CADP
4	Mr. Ram Kumar Sharma	GM	CAA
5	Mr. Chiranjibi Adhikari	For CDO	DAO, Sunsari
