CHAPTER-I

1. INTRODUCTION

1.1 Background

Agriculture is the backbone of the Nepalese economy which alone contributes about 38 percent of the Gross Domestic Product (GDP), and plays the lead role in the economic development of the country. In Nepal, agriculture is the main source of employment and livelihood where 65.6 percent of the people are still engaged in agriculture. However, due to the lack of modernization and commercialization in agriculture, farmers could not benefited as per their expectation.

The Government of Nepal (GON) and the Asian Development Bank (ADB/M) agreed to launch Commercial Agriculture Development Project (CADP) on 23 February, 2006. The project is designed to efficiently deliver development to poor and socially excluded people, through equitable and sustainable commercialization of agriculture. The project will directly generate employment opportunities to poor and marginal farmers and landless people by promoting high value crops (HVC) and their marketing, transporting from the point of production to storage and processing centers. CADP will also assist small scale community based market infrastructure development.

This project is implemented in 11 districts of Eastern Development Region (EDR) including 5 hill districts (Dhankuta, Ilam, Panchthar, Terahthum, and Udayapur), 5 Terai districts (Jhapa, Morang, Sunsari, Siraha, and Saptari) and one mountain district (Taplejung). The project beneficiaries will be the farmers (including subsistence, semi-commercial, commercial and women farmers) growing or interested in growing HVC such vegetables, fruits, and spices; and entrepreneurs located in the identified high potential areas of EDR.

Major outputs of the Commercial Agriculture Project will be increased public private investment, inclusion of poor and semi-commercial stakeholders in commercial agriculture, improved market information system and enhanced capacity of project partners in supporting farmers. The project will also cover disadvantaged and vulnerable people in EDR who have been excluded from the development process. The landless will be empowered through training to become employed in market-chain activities.

Mostly, farmers and traders lack of knowledge and skills about production and marketing technology of high value crops (HVC), transportation and marketing infrastructures. Despite of these constraints, EDR has extreme variation in the soil conditions, elevation, and temperature in the project districts, which provide greater scope for the production and marketing of wide range of agricultural commodities including fruits, vegetables and cereals.

The Commercial Agriculture Development Project is market oriented and demand driven. The project aims to accelerate the process of agriculture commercialization in EDR and help to increase employment opportunities in rural areas, value addition of agriculture products and rural income.

Objectives of the District Orientation Program:

- To illustrate the overview of the project among stakeholders.
- To introduce line-agencies and stakeholders about project's rationale, objectives, expected output, opportunities, and constraints .
- To create awareness about roles and responsibilities of partners (CADP, CAA and JFPR) and other stakeholders.

Date and Venue:

Program was conducted on November 7, 2007 in the training hall of the District Agriculture Development Office, Panchthar.

Procedure:

- Arrival of Participants and Registration.
- Chairing of program : Mr. Yubaraj Subedi, LDO, DDC, Panchthar.
- Chairing of Chief Guest : Mr. Jagannath Mahaseth, RD, RAD, Biratnagar.
- Welcome to the participants: Mr. Yogendra Kumar Karki, PM, CADP.
- Papers presented by:
 - Ø Mr. Yogendra Kumar Karki. Project Manager, CADP, Biratnagar.
 - Ø Mr. Jagannath Mahaseth, RD, Regional Agriculture Directorate, Biratnagar.
 - Ø Mr. Ram Kumar Sharma, General Manager, CAA, Biratnagar.
 - Ø Mr. Balaram Koirala, SADO, DADO, Panchthar.
 - Ø Mr. Kamalesh Tiwari, Technical Officer, CADP.

Few words :

- Ø Mr. Mahananda Ohja, Farmer
- Ø Mr. Bhalakaji Rai, Executive Member, CAA
- Ø Mr. Deepak Nepal, Vice-Chairman, FNCCI
- Ø Mr. Laxmi Gautam, Treaswer, Federation of Nepal Reporter.
- Ø Mr. Laya Prakash Baskota, Nepal Communist Party Ma.Le. , Panchthar.
- Ø Mr. Parwat Kshetri, Nepal Communist Party(Maoist), Panchthar.
- Ø Mr. Bharat Khadka, Janamorcha Nepal, Panchthar.
- Ø Mr. Raj Kumar Bhandari, Nepal Communist Party (UML)
- Ø Mr. Upendra Dangal, Ex - President,DDC, Panchthar.
- Ø Mr. Purna Kumar Sharma, Nepali Congress, Panchthar.
- Ø Mr. Hari Krishna Upadhyaya, CDO, District Administration Office,Panchthar.
- Ø Vote of thanks and closing of the programe : Mr. Yubaraj Subedi, LDO, DDC, Panchthar.

CHAPTER – II

Summary of Presentation

Karki, Yogendra Kumar (Project Manager) CADP: At a Glance, November 7, 2007

Mr. Karki, in his presentation, focused on introduction, overall objective, project command districts, proposed financing plan, expected impacts and outcomes, project components, value chain model and project implementation arrangement system of CADP.

He also explained that the project is under ADB grant, implemented by Department of Agriculture (DOA) for six years period. (July, 2007 to December, 2012) .The overall goal of the project is sustainably increasing the level of commercialization of agriculture in EDR. The specific objective is to reduce poverty in rural communities in 11 project districts through equitable and commercialization of agriculture.

The project investment cost is estimated as US \$ 24 million, out of which, the contribution of ADB, Nepal Govt., CAA, DDC, and FC is 18, 0.8, 4, 0.4, 0.5 million US \$ respectively. The expected impacts and outcomes of this project will be improved efficiency of marketing and processing of HVCs (vegetables, fruits, tea, and spices).

For the implementation of the project, **Project Management Unit** is established in Biratnagar, which prepares project annual work plan and project progress report; recruits the consultants and rewards the procurement contracts; supervises the project activities and performance of the partner NGOs and service providers and carries out the M& E of the project activities.

The major components of the project are:

1. Agriculture investment and management.
2. Inclusive development of stakeholders.
3. Market information dissemination.
4. Project partners capacity enhancement.
5. Project implementation support.

The MOAC is the executive agency, the CAA is the implementing agency for component -1 (commercial agriculture investment & management), and the DOA is implementing agency for the components 2, 3, 4, and 5.

Mr. Karki emphasized that, for efficient implementation of the program, each line–agency and other stakeholders should work as partners with beneficiaries (Farmers, Traders, and Processors). He concluded that "**The success of the project will depend upon level of the co-ordination among stakeholders, for which; regular interaction to understand each other roles, and responsibilities is must .**"

Sharma, Ram Kumar, (General Manager, CAA); Commercial Agriculture Alliance: A Brief Introduction, November 7, 2007

Mr. Sharma, in his presentation stated about, the introduction of Commercial Agriculture Alliance (CAA), its objectives, command areas, membership, Board of Directors; management of CAF, main tasks, procedure to be followed for submitting the application and approval of grant and roles and responsibilities of stakeholders and future course of actions of CAA.

CAA is not-for-Profit Company established in 29 September, 2006 for the implementation of **Agriculture Investment and Management** component-1 of CADP. The objectives of CAA are: Promoting commercial agriculture by developing an alliance between the commercial agricultural stakeholders; manage CAF; educate members about market linkage on production; transferring knowledge and skill about agricultural production technology and marketing to farmers and others stakeholders directly involved in the agriculture business; conducting awareness program and helping its members in protecting the intellectual property rights.

CAA will have a cost sharing Commercial Agriculture Fund (CAF) of US\$13.3 million. CAA will provide grant to its members for the development of community based infrastructures such as collection centers, suspension bridges, ropeways, farm to market road improvement, cold stores and so on. It will also provide fund for the non-infrastructure activities such as, production and market promotion of High Value Crops (HVCs) in the project area. The fund for community based infrastructures is mobilized through District Development Committee and for non-infrastructure activities through farmers groups, agricultural cooperatives, processors and traders of agricultural commodities. A maximum of \$ 80,000 will be provided for each community-based market infrastructure intervention and a maximum of \$ 20,000 for each non-infrastructure investment. The allocation of CAF to specific districts will vary according to need. Each general member can obtain a maximum of \$ 40,000 on cumulative basis, and each DDC a maximum of \$ 320,000 on cumulative basis.

Commercial Agriculture Alliance will implement its program in 11 districts of Eastern Development Region. CAA will have two types of members i.e. general and nominated. General members comprise farmer's groups, cooperatives, traders and processors whereas representatives from Ministry of Agriculture and Cooperatives, Ministry of Local Development, District Development Committee of 11 project districts, and Agro Enterprise Centre of Federation of Nepalese Chamber of Commerce and Industries(FNCCI) are the nominated members of CAA. CAA will establish its central office at Biratnagar and branch offices at district headquarter of 11 project districts. The stakeholders should play their roles in creating awareness at local level, selection of appropriate projects, recommendation of grant for feasible projects and regular monitoring and evaluation of the projects.

The CAA is established as a not for - profit company with definite objectives and well defined roles and responsibilities. Commercial Agriculture Fund that will have to manage by CAA, will be allocated for the commercialization of agriculture in the Eastern Development Region.

Mr. Mahaseth, Jagannath,(Regional Director), Agriculture Development in EDR- At a Glance, November 7, 2007

Mr. Mahaseth, in his presentation highlighted the potential and constraints of commercialization in EDR and gave an overview about pocket areas, projects implementing in EDR, agricultural statistics, food balance sheet, agriculture program in EDR, potential crops according to geographical region, market infra-structures and National Mission for different crops in different districts.

Projects in EDR:

- Eastern Hill Development Project: Solukhumbu, Khotang, Bhojpur, Okhaldhunga.
- APPSP: Siraha, Udayapur, Okhaldhunga.
- Ultra Poor Project: Terahthum, Taplejung.

Market Infra-structures:

• Collection centers	-	37
• Wholesale markets	-	8
• Hat bazaar	-	577
• Cold stores	-	8
• Cellar stores	-	8
• Rustics stores	-	23

Potential Crops in EDR

• Cardamom	-	Taplejung, Panchthar, Ilam, Sankhuwasabha, Terahthum, and Bhojpur
• Off-season vegetables	-	Dhankuta, Ilam, Panchthar, Terahthum, Sunsari, and Morang.
• Citrus	-	Dhankuta, Ilam, and Panchthar
• Areca nut and Black pepper	-	Jhapa
• Banana	-	Sunsari, Morang, and Jhapa
• Tea	-	Jhapa, Ilam, Panchthar, and Dhankuta
• Ginger	-	Dhankuta, Ilam, Terahthum and Panchthar
• Jute	-	Morang, Sunsari, and Jhapa.

National Mission program in EDR:

• Mission Fish	-	Siraha, Saptari, Sunsari, and Morang
• Mission Onion	-	Siraha, and Saptari
• Mission Citrus	-	Dhankuta, Ilam, and Panchthar

Mr. Mahaseth expressed his views on project activities and co-ordination among different stakeholder in project district. Project is mainly concentrated in developing the small infrastructures such as collection centers, ropeways, suspension bridges, cold stores and improvement of farm to market link road. He added that the beauty of this project is to promote selected HVC in potential area of the project district. He added that due to availability of suitable climatic condition and socio-economic environment, EDR has greater scope for the commercialization of agriculture.

He ensured that he will be fully devoted to provide support in every step of project implementation. He also hoped that DADO of the project districts will provide required support during project implementation. RD suggested that the success of the project depends upon the co- ordination among different agencies involved in CADP.

Mr. Balaram Koirala, SADO, DADO, Panchthar.

Existing situation, Problem and Prospect of High value crops

- Ø Mr. Koirala started his presentation with happiness that Panchthar district is lucky because CADP cover this district too.
- Ø His presentation mainly concentrated on brief introduction of district, cropping system, status of food security, pocket area, exportable agricultural commodities, potential high value crops and market management.

Introduction

Ø Total area	-	1,24590 ha.
Ø Total cultivate land area	-	60265.5 ha.
Ø Irrigated area	-	3232 ha.
Ø Unirrigated area	-	57033 ha.
Ø Total no. of Agro- vet	-	13

Status of food security

Ø Cereal	-	1897.22 M.T.
Ø Vegetable	-	5543.48 M.T.
Ø Fruits	-	21856.3 M.T.

Institutional Development

Ø Women farmer group	-	39
Ø Man farmer group	-	41
Ø Mix farmer group	-	90
Ø No. of women farmer member	-	841
Ø No. of men farmer member	-	1592
Ø No. of Pocket area	-	6

Existing Situation of Exportable agriculture comodities.

Agr: Commodities	Amount in M.T.	Place of export
Ø Tea (Orthodex)	20	Europe, Japan, USA.
Ø Cardimon	808	Jhapa (Birtamod)
Ø Ginger, Garlic	100	Jhapa
Ø Akabare pepper	6	Jhapa, Darjelling, Kathmandu.
Ø Citrus	13.5	Jhapa
Ø Fresh Vegetable	40	Taplejung, Illam, Jhapa
Ø Potato	200	Tarai districts.

Potential Agricultural Commodities for commercialization :

Fresh Vegetable, Citrus, Tea, Ginger, Garlic, Beekeeping, Potato, Mushroom.

Infrastructure Development

Weekly market	- 6 (Phidim, Rabi, Ranke, Yashok, Tharpa, Dashangi)
Fortnightly market	- 16

Mr. Kamallesh Tiwari, (Technical Officer), Commercial Agriculture Development Project : Project Selection Process and Monitoring & Evaluation Arrangement in CADP, November 7, 2007

Mr. Tiwari, in his presentation, focused on project selection criteria, cost sharing for infrastructure and non- infrastructure investment , implementation, monitoring & evaluation and project review arrangement of CADP.

Selection criteria:

- Ø Add value to agricultural products,
- Ø Benefit other agricultural stakeholders and community as a whole,
- Ø Improve market chain efficiency,
- Ø Incorporate public good content and
- Ø Have strong demonstration effects on the rest of community.
- Ø Proposal must be demand driven and identified by stakeholders themselves.

Cost Sharing

Stakeholders	Non- infrastructure investment	Infra-structure investment
CAA	50 %	75 %
Beneficiaries	50 %	10 %
DDC	-	15 %

Project Performance M&E

Monitoring & Evaluation will be done to determine:

- Ø Efficiency
- Ø Delivery of inputs against specified implementation targets and time frame.
- Ø Effectiveness
- Ø Outputs, outcomes and short term impacts.
- Ø Both efficiency and effectiveness measured against baseline and product chain data

Feed back on project activities will be taken from

- Ø Farmer groups;
- Ø Marketing groups, associations and cooperatives;
- Ø Partnering NGOs and training service providers;
- Ø CAA and its branch offices;
- Ø Project studies and reports;
- Ø Project-supported market information system; and
- Ø Any other relevant sources such as the federation of Nepal Chambers of Commerce and Industry.

Project Review

- Ø ADB and the Government at least twice a year; this includes performance of the PMU, CAA, partner NGOs and service providers.
- Ø ADB and Government will also undertake a comprehensive mid- term review of the project at the beginning of the fourth year.
- Ø Technical, budgetary and design modification could be considered based on the results of review.

Few words :

Mr. Mahananda Ojha, Farmer

- Ø He became happy that CADP based on group and participatory approach.
- Ø He requested that CADP will be focused on beekeeping, animal goat keeping and reduce the membership fees.
- Ø All the activities should be launched through co-operatives.
- Ø He committed that, farmers as producer will co-operate with CADP in each and every walks throughout project period.

Mr. Bhalakaji Rai, Executive Member, CAA

- Ø He expressed his view that CAA will act as network of the farmers.
- Ø CADP is as first project, which will work along with farmers, processors, traders and businessman.
- Ø The main objective of this project is to investment in infrastructure development as well as non-infrastructure development for commercialization in agriculture.
- Ø He requested to stakeholders to be member of CAA.

Mr. Deepak Nepal, Vice – Chairman, FNCCI

- Ø He hoped that CADP will change the agriculture from subsistence agriculture into commercial agriculture.
- Ø CADP has cover to each stakeholder, such as farmers, labours, processors, and traders which beauty of this project.
- Ø He requested to DDC that it should strongly co-operate with CADP in technical, financial aspect.
- Ø He wished for success of the CADP in each step of the operation.

Mr. Laxmi Gautam, Treasurer, Federation of Nepal Reporter.

- Ø He requested to CADP to reduce limit of transactions of 5 lakhs.
- Ø Co- operation is needed with press-reporter for market information dissemination among different stakeholders.

Mr. Laya Prakash Baskota, Nepal Communist Party Ma.Le. , Panchthar.

- He requested the project to include the real rural poor.
- He added to provide the subsidy to target groups
- If the project could include the livestock sector it would be better.
- He emphasized that the program activities should reached to rural poor rather than on the basis of different categories of casts, gender etc.

Mr. Parwat Kshetri, Nepal Communist Party(Maoist), Panchthar.

- He expressed his views regarding the positive aspects of the project like providing the subsidy to farmers without any interest .
- He added to reconsider the entry fee to be the member of alliance as the fee is excess to rural farmer.
- He said that the objectives of the project is good but we have to see the implementation.
- He made strong commitment to help the project for its success.

Mr. Bharat Khadka, Janamorcha Nepal, Panchthar.

- The project activities should be based on the need of farmers.
- He expressed that the provision of the criteria that farmers group should have the transaction of 5 lacks in last 2 years to be the member of the alliance is too much for rural farmer group.
- He added that the benefit of the program should reached to rural poors.

Mr. Raj Kumar Bhandari, Nepal Communist Party (UML)

- He expressed his happiness for launching this project in the district.
- The project activities should be based on the need of farmers.
- He committed for overall help and co ordination for the success of the project
- He emphasized on development of physical infrastructure in the district.
- He also added to utilize the educated bachelors of the country for agricultural development.

Mr. Upendra Dangal, Ex - President,DDC, Panchthar.

- He highlighted the present scenario of agriculture in the district.
- He added for the development of agricultural infrastructures in the district.
- He requested the farmers to best utilize their land by different crops according to their climatic suitability.
- He felicitated his best wishes for the success of the project.

Mr. Purna Kumar Sharma, Nepali Congress, Panchthar.

- He express his thanks to the project for nominating the LDO of Panchthar as the board member of CAA
- He requested the farmers to best utilize their land by different crops according to their climatic suitability.
- He said to best utilize the young generation in agriculture.
- He also added to develop the physical infrastructures in the district
- He said that the project seemed to include only the traders, processors and big farmers. Small farmers should also be benifitted from the project.

Mr. Hari Krishna Upadhyaya, CDO, District Administration Office,Panchthar.

- He requested all concerned to make best benefit of the project.
- He requested all stakeholders to coordinate and help the project for its success.
- Mr. Upadhyaya felicitated his best wishes for the success of the project.

Mr. Yubaraj Subedi, LDO , Chairman of the Workshop.

- He expressed his views regarding the importance of the project in the district.
- He urged the farmers to make best utilize of the project
- He made commitment to help the project during its whole span.
- He made thrust that the project would meet the need of rural farmers of the district.
- He felicitated his best wishes for the success of the project.

Appendix-1: Program schedule.

Commercial Agriculture Development Project An Interaction Program with NGO, Panchthar

Date : 7 November, 2007

Time : 10:30- 2:30

Venue : Seminar Hall, District Agriculture Development, Panchthar.

Time	Activities	Remarks
10.30-11.00	Arrival of Participants and Registration	
First Session		
11.00-11.15	Chairing of the Program : Yubaraj Subedi, LDO, Panchthar Chairing of Chief Guest : Mr. Jagannath Mahaseth, RD, RAD, Biratnagar	
11:15-11:35	Welcome to the Participants and Brief Introduction of CADP: Mr. Y.K. Karki, Project Manager, CADP.
